FLORENCE MOTE HEADS SCHOOL OF EDUCATION; NEW DEPARTMENTS FORMED

President John M. Pfau announces that Florence Mote, Professor of Education, will head the School of Education during the 1975-76 year as Acting Dean. Dr. Mote will fill the vacancy created by the resignation of Dean Ronald Petrie who is leaving the College to accept an appointment of Dean of the School of Education at the Portland State University in Oregon.

Dr. Mote, who joined the College in 1967, has served as Coordinator of Elementary Education for three years and coordinator of Early Childhood Programs, which she was instrumental in developing, since 1973.

Her background includes two years as instructor at Stanford University, where she received both her M.A. and Ed.D. degrees, and 16 years as curriculum consultant and elementary principal in the Palo Alto school system.

The new school dean will take over the reigns of the School of Education at a time when it is re-organizing. Two newly-created departments have been formed: the Department of Teacher Education, which will include elementary, secondary and early childhood areas; and Department of Special Programs, which will include all of the new specialist credentials such as bilingual, counseling, reading, special education, vocational and administration.

Judith Rymer, Associate Professor of Education, and Gordon Stanton, Professor of Education and Coordinator of Secondary Education, have been named by President Pfau to serve as chairpersons of the Department of Special Programs and Department of Teacher Education, respectively.

JULY PAYCHECK REFLECTS SALARY INCREASES AND NEW FRINGE BENEFITS

In addition to the salary increases which became effective for the CSUC employees for the 1975-76 fiscal year, the July paycheck will reflect other changes which will add to the amount of the warrant.

The state's contribution for health insurance is increased \$1 per month for employees only (no change in allowance for dependents) and the Public Employees Retirement System contribution has been reduced for both PERS and PERS/OASDI.

Not reflected in the pay warrant, but of benefit to all state employees are new regulations regarding survivors and other PERS changes. Information on this will be forwarded by the Personnel Department as soon as it becomes available.

PAYDAY IS WEDNESDAY, JULY 30.
